

Copyright Transfer Form

Article Title:

Author(s):

All of the authors agree to submit this manuscript to *Science in Cold and Arid Regions* and make some promise below in detail.

1. Confirm that this article has not been published previously elsewhere, nor is it under consideration by any other publisher.
2. Confirm that no political error, military, scientific and technological secrets in the article, or else all responsibilities related to the above are taken by the author and the unit.
3. Confirm that there is no objection to the arrangement of all Co-authors' names in paper and no objection to the arrangement of all units in paper and intellectual property rights entanglement of the paper if it is cooperated by more units.
4. The first author (or corresponding author) is responsible for the revision, explanation, proofreading of the manuscript and other matters concerned about it.
5. Confirm that each author of the manuscript to transfer all copyright of the article to Editorial Department of "Science in Cold and Arid Regions" after it is accepted and published.

(P.S. if you want to add or subtract author and change the signature unit of authors, you need to sign this statement again and scan it (.pdf format), then give the electronic version to SCAR@lzb.ac.cn)

After you carefully read this agreement and give your signature.
